Painting and Decorating Pre-Apprenticeship Program 52443WA Certificate II in Building and Construction

MPA Skills is the largest provider of specialised apprentice training in the painting industry. The Pre-Apprenticeship program offers students the chance to learn part of a first year apprenticeship without having to be employed as an apprentice. Students are offered both classroom learning and hands on skills in our simulated work environment and on the job experience as part of their work placement.

The aim of this Pre-Apprenticeship is to provide learners with industry specific training to gain skills, knowledge and behaviors to enable transition into an indentured apprenticeship. It is a 10 week full time program with work experience included. We offer this north of the river at our Maylands Campus.

Entry into an apprenticeship may be gained during Pre-Apprenticeship training or subsequent to graduation. To find out dates for our next pre-apprenticeship program please visit our website www.mpaskills.com.au
