

Try-A-Trade

Are your Students Interested in Plumbing or Painting ?

FAQ's

What is it?

Try-A-Trade is an excellent opportunity to help students make an informed decision about a career in plumbing and gas fitting, painting and decorating or building and construction. Try-A-Trade is a short practical three day hands-on program aimed at providing students with some insight into plumbing and gas fitting, painting and decorating or building and construction trades.

Who can participate?

Students in year 9 to 10
*Subject to meeting funding criteria

How many can participate?

Minimum of 12 students to a maximum of 16.

How to book in?

To book in to one of our Try-A-Trades go to our website and download the Try-A-Trade Information Pack.

Where will the program be delivered?

Try-A-Trade can be delivered at all MPA Skills campuses.

What will it cost?

No cost to the school or students.
This program is fully funded by the **Construction Training Fund**.
