

## MPA SKILLS - HOW TO USE THE EVIDENCE GUIDE

### STEPS

1	2	3	4	5	6
Using the Contents Page find the relevant table/s in the Communication Skills and Maths Skills Evidence Guides	Find the subjects or vocational education and training qualification you studied in the first column.	Look at the next columns to see what score you obtained	Look at how many 'dots' you obtained for your score and choose the highest communications and maths skills benchmarks.	Using the <b>MPA Skills Studies Guide</b> , (on line or hard copy), select the course/s you are interested in applying for.  <b>Note 1:</b> Under each course listing, there is a sub heading of <b>Entrance</b> .  <b>Requirements.</b> This is where you will find the communication and maths skills benchmarks.  <div style="text-align: center;"> </div> <b>Note 2:</b> some bridging courses do not have Entrance Requirements and applicants are required to apply directly to their local college.	You meet the Entrance Requirement
