

Training & Apprentice Employment

DIVISION OF MPA GROUP

Apprentice Qualities

All MPA Skills' apprentices are encouraged to demonstrate the following qualities:

Safety

Zero tolerance towards thoughtless, reckless, selfish behaviour on site

Time Management

Be on time – 15 minutes early is better than 15 minutes late – Be reliable

Common sense

Think about what's going on around you.

Honesty

Your word is your honour.
Do what you say you will do

Listening skills

Listen carefully and ask questions to clarify instructions

Thoughtfulness

Think about other people.
Meet accepted expectations

Commitment

You need to want to be an excellent tradesman – not good - Excellent

Initiative

Think ahead and be proactive

Focus

Concentrate on the task at hand and desire to always improve

Loyalty

Your employer provides you with an opportunity – repay them with your loyalty

Pride

You do whatever it takes to provide first class workmanship anywhere, anytime.

Respect

Show an appreciation to those training you to become a tradesperson
