

## RESTRICTED ASBESTOS REMOVAL LICENCE (RAL001)

### WORKSAFE APPROVED

**Purpose:**

A licence is required in Western Australia for the removal of materials that contain asbestos. A Restricted Asbestos Removal Licence allows people to remove amounts exceeding 10 square metres of bonded (non-friable) asbestos. Those completing this course will be able to properly supervise, manage and carry out asbestos work involving non-friable (bonded) asbestos-containing material. The licence will be valid for three years.

For more information, visit: [www.worksafe.wa.gov.au](http://www.worksafe.wa.gov.au).

Applications for a Restricted Asbestos Licence will be required to submit to WorkSafe a written application form for a Restricted Asbestos Licence, pay an application fee; and provide evidence of ability to remove asbestos in a safe and proper manner (completion of this course).

**Pre-requisite:**

There is no pre-requisite for this course.

**Course Content:**

Module 1: Legislative Framework

- Describe the legislative requirements of the Occupational Safety and Health Act 1984, supporting Regulations and associated Codes and Standards.
- Identify types of asbestos, including friable and non friable asbestos and its uses.
- Describe the health effects relating to asbestos exposure.

Module 2: Risk Management

- Identify hazards in the work area.
- Conduct a risk assessment.
- Identify the controls required.
- Identify and select PPE and clothing.
- Prepare a Safe Work Method Statement.

Module 3: Removal and disposal of non-friable (bonded) asbestos

- Plan the removal of asbestos.
- Outline procedures for the removal of asbestos.
- Outline procedures for clean up and decontamination of worksite, tools and workers.
- Identify the methods of transporting and disposing of asbestos containing materials safely in accordance with the regulatory requirements.

**Certification:**

Candidates will be awarded a Statement of Completion which is required to apply for the licence.

**Duration:**

4 hours

**Maximum Participants:**

15 persons.

**Cost:**

\$350 per person.

The Construction Training Fund subsidy of \$280 is available to eligible candidates. Contact [www.bcitf.org](http://www.bcitf.org) for eligibility.
