

GAS SERVICING COURSE 2010

How to obtain your Gas License

Students must have successfully completed their Certificate III in Plumbing & Gas Fitting Apprenticeship to be able to enroll on the Gas Servicing course. Apprentices will then be required to successfully complete Service Type A gas appliances.

On Completion

Once you have completed the Gas Servicing course and have been issued your certificates you will need to apply for your Non Restricted Gas Licence through Energy Safety. You will find the application forms on their website www.energysafety.wa.gov.au .
