

PLUMBING CONTRACTOR'S LICENCE COURSES 2010 (51429)

How to obtain your Plumbing Contractor's Licence

To be able to commence in the Plumbing Contractor's Licence course you must have your Tradesperson Licence Number which you would have obtained when you completed your Plumbing & Gas Fitting Apprenticeship.

The Plumbing Contractor's Licence consists of 4 courses:

- Business,
- Water Supply
- Drainage
- Sanitary

Students must complete the Business course first before continuing with the Water Supply, Drainage & Sanitary courses.

Once a student has successfully completed all 4 courses and is deemed competent, they may then apply to the Plumbers Licensing Board for their Licence. Please refer to the PLB's website for further information www.plumbers.wa.gov.au.

BUSINESS

UNITS COVERED

BCPCM4001A Carry out work based risk control processes
