

TRY-A-TRADE WITH MPA SKILLS

MPA Skills is run by the industry for the industry so you can be confident knowing you will get the best training and support to start your plumbing and painting career.

Construction Industry Training Fund Try-A-Trade

By completing a Try-A-Trade in with MPA Skills, a student will have an opportunity to see what it's like to work in the plumbing and painting & decorating industry.

The Try-A-Trade works in partnership with selected secondary schools, who send Year 9 and Year 10 students to one of the MPA Skills campuses conveniently located **north** and **south** of the river.

Students will carry out tasks in a simulated workplace environment where they will learn about team work, health & safety, leadership, problem solving

The Try-A-Trade Is wholly funded by Construction Training Fund

RTO 1892

The pre-apprenticeship and apprenticeship training are subject to funding by Jobs & Skills WA
