

RESTRICTED PLUMBING PERMIT

About this Course

This course is Restricted to Licensed Electricians and Gasfitters with a Non Plumbing Pathway

Training in the Unit Exchange and Commission HWS must be completed and the candidate successful before applying to the Building Commission for the restricted plumbing permit.

When the applicant has been successful in their training at MPA Skills, the application requirements below are to be fulfilled and submitted to the Building Commission with form 106 & fees payable.

Who can obtain a restricted plumbing permit?

Only licensed electrical workers and licensed gasfitters are eligible to obtain a restricted plumbing permit. Applicants for a restricted plumbing permit will be required to satisfy the Plumbers Licensing Board (the Board) that he or she is a 'fit and proper person' to hold a restricted plumbing permit and have successfully completed the necessary training approved by the Board.

The holder of a restricted plumbing permit is authorised to disconnect, remove, install and reconnect:

- a compression union;
 - a temperature/pressure relief valve;
 - an expansion control valve,
- in the course of removing or replacing a water heater.
