

## 1. Purpose

MPA Skills is committed to providing quality training and assessment in accordance with the Standards for Registered Training Organisations (SRTOs 2015). As such, MPA Skills is required to comply with relevant Federal, State and Territory laws, including that relating to Workplace Health and Safety.

The purpose of this policy is to ensure MPA Skills complies with Western Australian version of the national model WHS Act – the *Work Health and Safety Bill 2014* and all related regulatory requirements that are relevant to its operation and Scope of Registration.

## 2. Policy Statement

MPA Skills is committed to providing a learning environment which is free from safety and health hazards and that all staff, clients and visitors are fully informed of these safety and health requirements including Emergency Procedures that affect their duties or participation in vocational education and training.

MPA Skills will:

- Provide staff, clients and contractors a safe and healthy learning environment;
- Provide a safe and healthy workplace to allow all our employees to perform their tasks to their maximum potential, safely and efficiently; and
- Comply with relevant laws, regulations and standards.

## 3. Policy Principles

### 3.1 Underpinning Principles

- a) MPA Skills uses a consultative and participative approach with employees regarding Workplace Health and Safety.
- b) MPA Skills considers **Risk Management** a top priority in all activities on and off site and WHS is a key element of this risk management. Communication within all levels of the organisation ensures everything from clearly marked exits to spill signage and evacuation plans form the basis of a comprehensive approach.
- c) The General Manager of MPA Skills delegates the responsibility to conduct an annual Safety Risk Audits and enter any identified Actions into the **Continuous Improvements Register**. This includes an Action Date and a Date Closed so that the Administrative staff can follow up any issues with General Manager.
- d) MPA Skills at all times plans for and monitors its employees and clients wherever they are working.
- e) Evaluation of WHS matters are discussed in the regular staff administration and trainer meetings. Matters are also addressed at management meetings when required.
- f) MPA Skills provides ergonomic equipment at all times.
- g) Safe use of equipment is discussed at both staff administration and trainer meetings.
- h) Safe plant and equipment are provided and maintained by MPA Skills.
- i) Environmental protection is a MPA Skills concern including disposal of various types of materials from the administrative areas to industrial waste where relevant.
